PermitPilot | Submission-readiness report

LOCAL DEMO - not a verified permit assessment

DEMO Oak Street renovation

123 Example Street, San Jose, CA 95112

Generated 2026-10-19 | Kitchen / bathroom remodel, HVAC / mechanical

Coverage: 0 verified rule versions in the database. Applicability and coverage remain limited; see findings below.

COMPLETE | Confirm the permitting authority

Manually confirmed by the project owner; parcel boundaries have not been independently verified.

Next action: Check the parcel with the city or county, then record your confirmation.

NOT VERIFIED OR UNSUPPORTED | Official requirements coverage

No official requirement versions have been verified for this project. Manual items are preparation tasks, not government requirements.

Next action: Confirm the application checklist with the building department.

MISSING | Application documents

No project documents have been uploaded.

Next action: Compare uploaded documents with the department checklist and confirm their content.

COMPLETE | Confirm application form with department

User-maintained preparation item; no official requirement attached.

Next action: Retain supporting evidence.
